F. DECLARATION

SOURCE OF FUNDS AND EQUITIES

The undersigned hereby warrants to Aurum Metals that the Metals/Funds to be delivered to Aurum Metals for treatment or trading have been procured through legal means and have been acquired from legitimate sources not involved in funding conflict or non-compliance with any United Nations sanctions, resolutions, or human rights violations. To the best of my knowledge, I the undersigned hereby guarantees that these Metals are conflict-free, free from child labor, and have been sourced through proper channels.

SOURCE OF METALS

I the undersigned agree that all documents (actual invoice, custom's paper, airway bill) regarding the origin of the metal will be declared to Aurum Metals. This is part of the policies and procedures implemented by the compliance department and in line with SADPMR's Guidance for Responsible Supply Chain. In case of any future changes with the origin of my precious metal, I agree to advise the company beforehand and to provide supporting documents prior to sending any delivery/shipment. Upon having my account, I will be responsible to update my files and submit any documents that are necessary for the compliance team.
